# Thank you for choosing Austin Air

You've made an excellent choice; Austin Air remains the world's most trusted name in portable room air cleaners.

Whether you are using your Austin Air cleaner for relief of asthma and allergy symptoms, or to provide deep restful sleep, we are confident that you will be completely satisfied with your purchase.

Please take a few minutes to familiarize yourself with important details and safety guidelines outlined in this manual.

Be sure to register your new Austin Air cleaner with us online at:

[www.austinair.com](http://www.austinair.com)

# Operating Instructions

Read all instructions before using your Austin Air cleaner. Follow the directions below for easy set-up and first time operation.

1. Unpack and remove all packing material. Be sure to remove your Austin Air cleaner from the plastic bag.

2. Completely unravel the power cord and place your Austin Air cleaner on a flat, dry, stable surface. Be sure to place you Austin Air cleaner at least **eight inches from any wall** and so the Air Output Vent is facing towards the room.

Failure to do so may reduce the air cleaning efficiency. Inspect the power cord for signs of damage before use. **If cord is damaged, DO NOT use.**

3. Make sure the Speed Control Switch is in the OFF (0) position and plug the power cord into a 120VAC/60Hz wall outlet.

4. Your Austin Air cleaner features three different speed settings, High (III), Medium (II), or Low (I). The highest setting will provide the fastest, most powerful air cleaning.

## Important

Allow your Austin Air cleaner to operate on High (III) for at least the first hour of use. After the first hour, turn the Speed Control Switch to the desired setting.

# Important Safety Instructions

PLEASE READ AND SAVE THESE SAFETY INSTRUCTIONS BEFORE USING YOUR AUSTIN AIR CLEANER.

When using electrical appliances, basic precautions should always be followed to reduce the risk of fire, electric shock and injury to persons including the following:

1. Read all instructions before operating your Austin Air cleaner.
2. Always place your Austin Air cleaner on a firm, flat, dry level surface.
3. The Austin Air cleaner must be used in its upright position.
4. Keep your Austin Air cleaner away from heated surfaces, open flames, combustible gases or vapors.
5. Keep your Austin Air cleaner cord out of the way, where it cannot be stepped on or tripped over.

For your safety,  
please read carefully.

# Important Safety Instructions

6. Before operating your Austin Air cleaner, extend the cord and inspect for any signs of damage. Do not use your Austin Air cleaner if the cord is or becomes damaged.
7. Keep your Austin Air cleaner away from water and other liquids.
8. Do not run power cord under carpets, and do not cover with throw rugs.
9. Always turn your Austin Air cleaner to the OFF (0) position and unplug from the wall before moving it, changing the filter or whenever it is not in use. Be sure to pull the plug and not the cord when disconnecting from the outlet.
10. Do not drop, insert or allow any objects to enter into any openings of your Austin Air cleaner. If this occurs, immediately turn off and unplug your Austin Air cleaner and call an Austin Air Customer Service Representative.

For your safety,  
please read carefully.

# Important Safety Instructions

11. Do not block the air openings on your Austin Air cleaner. Blocking the air openings will decrease the efficiency of your Austin Air cleaner and increase risk of injury.

12. Do not use outdoors. Your Austin Air cleaner is intended for indoor use only.

13. To avoid the risk of fire, shock or personal injury, do not use an extension cord.

14. Do not sit, stand or place heavy objects on your Austin Air cleaner.

15. Do not operate your Austin Air cleaner if it malfunctions or becomes damaged in any way.

**DO NOT ATTEMPT TO DEFEAT THE SAFETY FEATURE OF THIS POLARIZED PLUG IN ANY WAY.**

For your safety,  
please read carefully.

# Important Safety Instructions

16. Keep out of the reach of children.
17. **DO NOT** attempt to repair or adjust any electrical or mechanical functions on your Austin Air cleaner. Doing so will void your warranty. All servicing should be performed by and Authorized Austin Air Representative only.
18. This product is equipped with a Polarized Plug (one prong is wider than the other) as a safety feature. This plug will fit only one way into the power outlet. If the plug does not fit fully into the outlet, reverse the plug. If it still does not fit, contact a qualified electrician to install the proper outlet.

**DO NOT ATTEMPT TO DEFEAT THE SAFETY FEATURE OF THIS POLARIZED PLUG IN ANY WAY.**

**For your safety,  
please read carefully.**

# Filter Warranty

The Austin Air filter warranty is designed to provide the customer with years of worry free operation. Your Austin Air filter has been designed to last up to 5 – years under normal residential use, and features a 5 – year pro – rated warranty.

Some household environments are more polluted than others, therefore the useful life of the filter media in your Austin Air cleaner may be reduced. To address this issue, Austin Air's pro – rated warranty allows you to receive a discount on your next filter replacement purchase, based on the length of time your filter was used.

If your Austin Air cleaner is used in rooms with usually high concentrations of tobacco smoke, sawdust, soot, chemical vapors and/or odors, your Austin Air filter will need to be replaced more often. In these circumstances, you should replace your filter once your Austin Air cleaner ceases to emit clean, odorless air. If the odor of the highly- concentrated contaminant is present exiting the Air Output Vent, the it is time to replace your filter.

Please Note: The Pro – Rated Warranty is also included with every subsequent filter replacement purchase.

# Filter Replacement

To receive a replacement filter at the pro - rated price, please call Austin Air Systems and ask to speak to a Customer Service Representative.

If your filter is out of warranty, please contact the retail store or the dealer where you originally purchased your Austin Air Cleaner.

Up to 2 - years of use: 40% off the retail price, plus shipping \*  
2 to 3 - years of use: 30% off the retail price, plus shipping \*  
3 to 4 - years of use: 20% off the retail price, plus shipping \*  
4 to 5 - years of use: 10% off the retail price, plus shipping \*

\*Austin Air Systems, Ltd reserves the right to refuse a filter replacement at the pro - rated price and/or request that your filter be returned for inspection.

## CAUTION

Warning: Do not attempt to clean the filter. Washing or cleaning the filter will void the warranty and may cause injury.

Information is subject to change without notice.

# Changing the filter

You will require a pair of work gloves, your new filter's box and a Philips screwdriver.

1 Unplug your Austin Air cleaner from the power outlet.

2 Turn your Austin Air cleaner upside down on a soft surface.

3 Using a Philips screwdriver, remove the four retaining screws from the bottom cover.

4 Wearing a protective pair of work gloves, lift the bottom cover off & set aside.

5 Remove new filter & prefilter from box & put aside.

6 Remove old filter & old prefilter from unit & place into empty box.

# Changing the filter

7 Install the new outer pre- filter by aligning the pre - filter seam with the power cord.

8 Install the new filter top side down.

9 Replace the bottom cover & screw down tightly.

10 Turn your Austin Air cleaner right side up & operate on the High (III) setting for at least one hour.

**Follow these instructions for best success.  
Regular maintenance will prolong filter life.**

Don't forget to vacuum the outside of your unit once a month to prolong the life of your filter.

# Cleaning Instructions

Your Austin Air cleaner has been designed to require very little maintenance. To remove the dust buildup on the 360 – Degree Air Intake, use the brush attachment of your vacuum cleaner. To clean the other surfaces on your Austin Air cleaner, use a soft dampened cloth.

## Choosing a location

From years of research and experience, we recommend that you place your Austin Air cleaner in your bedroom for several reasons.

Pollution is everywhere and the bedroom is no exception. Today, homes are sealed more tightly to conserve energy. Unfortunately, this seals the allergens, mold, bacteria, chemicals and other contaminants.

Having your Austin Air cleaner in your bedroom will allow you to wake up rested and refreshed without cold like symptoms, such as stuffy nose, sore throat or cough; the symptoms that occur as a result of your body's reaction to a night of breathing contaminated air.

# 5 Year Mechanical Warranty

Your Austin Air cleaner is warranted to be free from defects in material and workmanship under normal residential use for 5 – years from the date of purchase.

In the event of a malfunction or failure, please call Austin Air Systems to speak to a Customer Service Representative and ask for a Return Authorization Number. Your Austin Air cleaner should be sent insured and packaged with sufficient protection and postage together with a copy of the original bill of sale.

If the malfunction or failure is a result of defects covered by this warranty, Austin Air Systems will, as its option repair or replace the air cleaner and return it to the purchaser.

This warranty is limited to the original retail purchaser and is not transferable. The warranty does not cover damage due to accidents, abuse, tampering or misuse, nor does it cover damage resulting from service by persons other than an Authorized Austin Air Systems Representative.

# 5 Year Mechanical Warranty

Austin Air Systems, Limited's liability under this warranty is limited to the repair or replacement of a defective Austin Air cleaner with the exception of damages resulting from Austin Air Systems, Limited failure to comply with federal or state warranty law.

Austin Air Systems, Limited shall not be liable for incidental or consequential damages whether direct or indirect. The replacement filters are covered under a separate pro - rated warranty.

This warranty is expressly granted in lieu of all other warranties, which in some states cannot be excluded. There are no warranties, which extend beyond the description of the face hereof and no person, representative, or firm is authorized to commit Austin Air Systems, Limited to further liability or obligation.

If you have any questions concerning the use and care of Austin Air Systems, Limited's products or services under this warranty, please contact us.

# Our story

**Richard and Joyce Taylor**  
Co-Creators of The Austin Air  
Cleaner.

## Yesterday

We began this journey by way of necessity, Joyce -one of our founders- had severe breathing problems. Only the "clean room" found in hospitals was able to help but spending every night at the hospital was not practical or financially viable.

After nearly a year and dozens of prototypes, we created something that recreated the clean room environment at our home- True Medical Grade HEPA filter paper. We realized that we had created something that could vastly improve the health of other families as well. Joyce and I assembled each unit and build each filter. Only through word of mouth we began selling every cleaner we could produce.

## Today

Today, we've been able to grow our business to over 470,000 square feet of manufacturing and warehousing located in Buffalo, New York with every aspect of manufacturing controlled in-house. Austin Air Purifiers are approved by the Canadian Standards Association (CSA) and the Underwriters Laboratory (UL), our units are proven to bring the cleanest air to your home. We still, however, have implemented no less than 52 product improvements derived directly from our customers' insight by way of their suggestions, concerns and criticism.

Austin Air cleaners are the air cleaner of choice by leading doctors throughout the United States and many other parts of the world. There is hardly a country in the world today where an Austin Air cleaner isn't hard at work cleaning the air in someone's home.

## Tomorrow

After 30 years in business, we are still true to our mission of helping people, clean air is as essential to good health as clean water. All of us at Austin Air are proud of the fact that we manufacture the world's best personal air cleaner and continue to be ranked # 1 in the world. We really mean it when we say, Austin Air ... Clean air for life.

# Our commitment

Backed by the best warranty in the industry, you can take pleasure knowing you've made a sound investment in your Austin Air

## 30 – Day, Money – Back Guarantee

In the unlikely event that you are not completely satisfied with your Austin Air cleaner, return it within 30 days, no questions asked.

## 5 – Year Mechanical Warranty

Your Austin Air cleaner is warranted to be free from defects in material and workmanship for a period of 5 years from the date of purchase; provided your Austin Air cleaner was operated under normal residential use and that you have completed and returned your warranty registration to Austin Air Systems.

## 5 – Year, Pro – Rated Filter

Austin Air offers a 5 year, pro – rated filter warranty; the most comprehensive in the industry. No more costly filter replacements every few months or even years. Austin Air filters are designed to last up to 5 years, under normal residential use.
